INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In accordance with the provisions of 37 C.F.R. Sections 1.97 and 1.98, applicants and their attorney respectfully request that the following patents and printed publications, copies of which are attached hereto, be made of record in the official United States Patent and Trademark Office file relating to the above-identified re-issue application. The citations of these patents and publications should not be construed as an admission that they constitute prior art with respect to the present invention.

U.S. Patents.

Applicants' attorney notes that all of the above-identified patents and publications are in the English-language, and therefore, no comments regarding their relevance to the present invention are deemed necessary. In order to facilitate the Examiner's citation of the patents and patent publications listed above, applicants' attorney has completed United States Patent and Trademark Office Form PTO-1449. The completed Form is attached hereto for the Examiner's convenience.

No fees are believed to be due in connection with the submission of this Information Disclosure Statement. If any such fees are due, the Examiner is hereby authorized to charge them to Deposit Account No. 501402.

Respectfully Submitted,
